

A white motor yacht with a dark upper hull and a large cockpit. The name '6100 EURO' is on the side, and 'ELEMENT WHITEHAVEN' is on the transom. Three people are on the deck: a man in a blue shirt and white shorts, and two women in white dresses. The boat is on a body of water with a forested shoreline in the background.

6100 COUPÉ

WHITEHAVEN

MOTOR YACHTS

your journey. your whitehaven.

CUSTOMISE. PERSONALISE.
IT'S YOUR JOURNEY, MAKE IT A WHITEHAVEN.

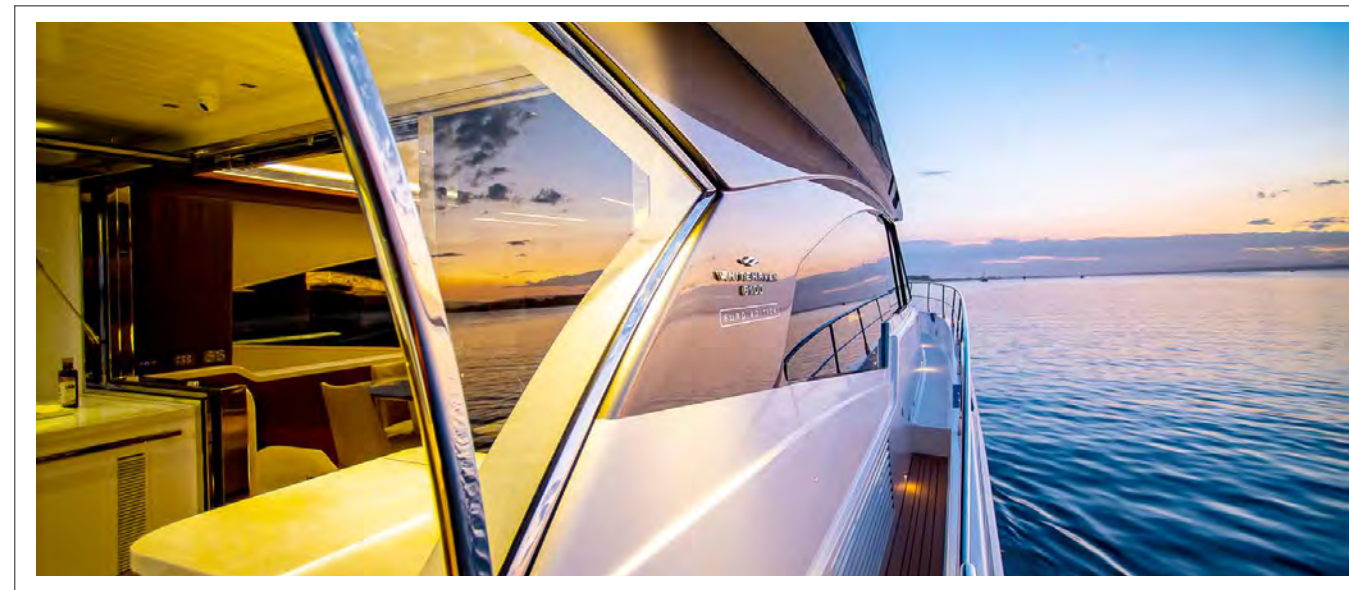

At Whitehaven, we put you and your experience at the heart of the design process. Being a truly bespoke boat builder we can offer an exceptional level of customization in our class. Every Whitehaven is unique, just like their owners, so let us guide you through the journey of creating your ultimate luxury entertainers motor yacht.

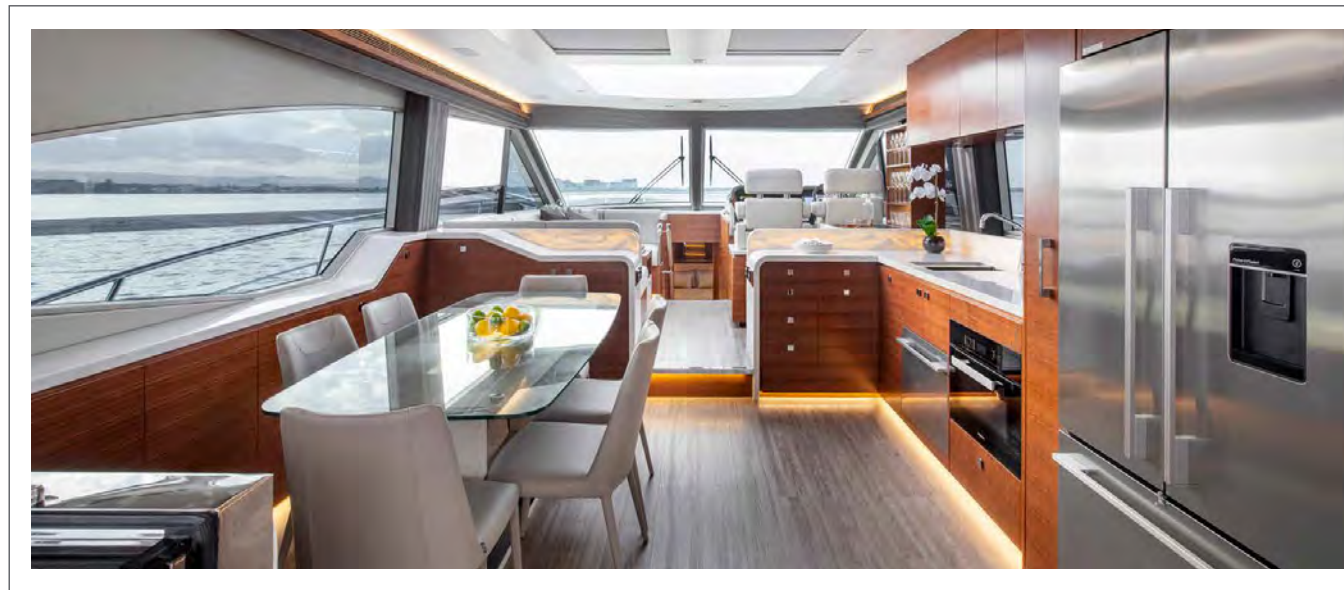

THE ULTIMATE ALL WEATHER LUXURY ENTERTAINER

The all new Whitehaven 6100 Coupé delivers bespoke layout options, custom crafted finishes, and exceptional sea-keeping ability. With its superyacht inspired radar arch, mast and extended roofline you can enjoy a fully shaded, enclosable cockpit to accommodate all-weather alfresco entertaining.

EXTERIOR STYLING

The exterior of the 6100 introduces a range of automotive cues to imbue the vessel with a sleek profile reflective of its performance. As beautiful as it is practical, a full-length roofline over the aft cockpit provides protection for all climates and conditions, as well as adding to its streamlined aesthetic.

INTERIOR LIFESTYLE

Designed for easy social flow, the large volume, single level living spaces make this vessel the ultimate entertainer. The generously proportioned entertainers' cockpit flows through to an aft galley with the exceptionally spacious dining area that boasts a six seater free-standing dining table and plenty of room for guests to socialise in style. With clever use of geometry and configuration, the 6100 was inspired by motor yachts double its size with additional space for storage, seating and room to spread out. The layout offers a 3 bedroom – 2 bathroom configuration with an additional auxiliary room/butler's pantry or powder room (depending on the customers 'lifestyle aboard').

Pictured with Euro Edition Interior Styling

Engine	Twin Caterpillar C12.9 1000hp each
Length Overall (inc, swim platform & pulpit)	19.10m / 62'6"
Beam	5.33m / 17'6"
Maximum Draft	1.52m / 4'10"
Sleeping Capacity	6 persons
Fuel Capacity	5,500 litres
Water Capacity	800 litres
Holding Tank Capacity	300 litres
Generator	17.5kW / 50HZ

PERFORMANCE

Continuing the Whitehaven tradition of exceptional sea-keeping ability, its deep-V hull delivers a smooth and dry journey. Fitted with two new-generation Caterpillar C12.9 engines that each develop 1000 hp, she has plenty of pace to get you to your desired anchorage.
